 - ☐ Dice
- ☐ Question 2
- ☐ Question 3
- ☐ Question 4

Instructions

Complete the java files for a dice game played with a table of 4 people.

Table Method

```
public class HelloWorld {  
  
    public static void main(String[] args) {  
        // Prints "Hello, World" to the terminal window.  
        System.out.println("Hello, World");  
    }  
  
}
```

Die Method

```
/** A class represents a greeter whose purpose is to greet the user */  
public class Greeter {  
    /** Greeting text */  
    public String text;  
  
    /**  
     * Greet the user with the stored greeting and his/her name  
     * @param name The user's name  
     * @return The greeting text  
     */  
    public String greet(String name) {  
        return text + " " + name;  
    }  
}
```
